**COMMENCEMENT EXERCISES**

**SATURDAY AFTERNOON  
JUNE THIRTEENTH  
TWO THOUSAND TWENTY**

**CARRBORO HIGH SCHOOL  
TWO O'CLOCK PM**

***Persevere!* by Amelia Mack**

Born mourning those lost in the twin towers

We realized our power

Graduating mourning those lost in the pandemic

We've completed our academics

Starting our careers surrounded in fears.

These events have planted the ingredients of activism

The class of 2020 will be a class of optimism

Collectively finding the good in our experience

Working hard to make a difference.

Born in tragedy, graduating in a catastrophe

That is the anthem of the class of 2020

Everything we've been through has made us resilient

And that, my peers, has made us even more brilliant.
